The seminars are conducted at the St. Joseph Rehabilitation Center. Directions to the Rehab Center are shown below. Enter through the In-patient entrance (on your left as you face the building from Joseph Drive). There is a circular drive, a covered drop-off/pick-up area and a revolving door. There will be signs posted to direct you to the seminar location. If you get lost, you can call the Rehab Operator @ 979-821-7300. If you are unable to attend, or plan to bring additional persons, please let us know.

You must sign in and attend the entire lecture, which usually last 1-1.5 hours, to be eligible for surgery. If you would like to have your height/weight/BMI verified on our scale, you are welcome to do so at no charge. *You must be barefooted when stepping on the scale, so come a little early and wear easy on/off shoes.* **PLEASE NOTE: YOU CANNOT WEIGH ON THE TANITA SCALE IF YOU HAVE A PACEMAKER.** Please notify our staff if you have a pacemaker, we will make other arrangements to calculate your BMI. Please call if you have any questions.
